

PAVING NOTICE

Maynard Ave S from S Dearborn St to S King St and S King St from Maynard Ave S to 7th Ave S

Mon. February 26 to Fri. March 2, 7AM – 4PM

*Weather permitting

- SDOT will grind off the top two inches of pavement and repave the street.
- All lanes of each impacted block and intersection are closed during working hours.
 - Each block and intersection is closed for only two work days.
 - Local access is maintained, but you may have to wait 15 minutes.
- On-street parking is restricted during working hours. 72 hours before work starts “NO PARKING” signs will be placed along the impacted streets.

- Detour signs will guide people driving.
- Sidewalks remain open.

Paving makes the streets smoother and more comfortable to use and support the future S King St Neighborhood Greenway. Greenways make streets safer and calmer for everyone.

Thank you for your cooperation.

This project is part of SDOT's Microsurfacing Program.
